Have you ever chilled with a superstar  
Private jets, black cars

Yeah I'm from the hood but I'm different though  
She be laughing dipping low  
I be trying to get physical  
Beat the pussy, I'm emotional

But I feel like you owe me some  
You give off the vibe you a hoe or something  
Ain't nothing wrong, I respect that  
Hey waiter, where the check at  
Girl you did me wrong, can't respect at  
You left the table, won't forget that, damn
