

# Bring the Beat Back

Lil B

Gutta shit know what I'm saying  
Do this for the, beautiful new age you feel me?  
This the golden age too, I'mma tell you something man  
Westside shit shout out to my eastside brothers

The wait is over  
Let me tell you when I been that  
I'm eating these niggas I started rapping with a chin strap  
I'ont rap average, nigga I rap crizack  
You hoes suck nizuts, my niggas love them rizacks  
Get up in the bizack, I'm loaded like it's crizack  
We'ont drink cristal we throw that in the bizack  
My niggas we the business, push ups for the fitness  
Never say anything and never be a witness  
This shit is just a litmus, rapping for the fitness  
I don't freestyle so, don't get on my hit-list  
Unless you want to get this, 'less you want to get rich  
Turn a nigga blind like a girl with them big tits  
Rap shit easy my nigga I'm like a blue pit  
Whatchu wanna do? Whatchu wanna do?  
My nigga, whatchu wanna do?  
Eating tracks for dinner  
My nigga I will show you that everything I say  
Is nigga cause I own you, my nigga I will fold you  
Roll you up and smoke you  
This rap shit, I'm 24 that's it  
Bring the beat back, Berkeley bitch

Yo, bring the motherfucking beat back  
Bring the motherfucking beat back [scratch]  
Bring the mother - [scratch]  
Bring the motherfucking - [scratch] Bring the beat back  
[scratch] bring the [scratch] the beat back  
[scratch, scratch] bring the beat back  
Bring the beat back, bring the beat, bring the beat

Bring the beat back

Let me holla'

Spend my money all day, and I make it back  
Tell them bitches get racks you know I'm in the pack  
I'm getting my sack licked, ya feel me?  
I'mma rap nigga with a million stacks  
She love me, my money double back  
Drop the bitch off she never coming back  
Around the corner, I'm bout that money stack  
Real Berkeley boys got it up double that  
Coming in like the flea market  
Riding down whatchu wanna do with down-market  
Shouts out to Marcus, all my builders doing they thang' in the auction  
Doing it to dark shit  
We got to get the right way, the right way is the wrong way  
But niggas know about the right way  
To, get educated too  
Love everybody, cause I love you

Lil B

Bring the beat back, bring the motherfucking beat back

Bring the beat back [scratch]

Bring the beat back
