

## Goodby BasedGod Velli

Lil B

We too silent, based world, we all soldiers  
I'm the reason you got your deal bitch, asap  
On his dick girl, she love that basedgod  
I still rock with the ak  
Niggas like me, I pull up  
Bitch you never spray, you never rock how I rock  
That sell block, that dope block, that never give a fuck no security  
That's how I rock, never break the click we stay style until the jump street  
Shout outs to [?] that water run real deep  
It's funny how our niggas try and sneak this  
Weak bitch, I can hear it in that bullshit  
You're never in the pol pit  
Shouts out to HotNewHipHop and Digital Drip  
I got a shotgun the same size as a small keep  
Never let it get to me, boy I made history  
Never gonna do what I done, it's a mystery  
People live in misery, I don't respect your game bitch  
I got them rear vibes from your squad, shit  
That's why I hold a chopper nigga, man down  
Defense, learn from the people, now I eat [?]  
Never breathe, but how you gonna read my book  
I'm a tell you nigga this, don't be a crook  
You [?] to get your arm cut, like the thieves do  
In America, boy this is a war zone  
Base with an army, and a navy  
Got get your chrome, we silent bitch  
We don't even need the guns, no mass [?]  
This is all before the deal, I still ain't got a deal  
Because I don't want one, niggas going for cheap, not me  
I'm moving 2 guns, got holler respect so  
I want the cool one, but I'm feel to go to college  
I'm feel and learn what I want, and apply it to me  
It's a [?] feel, it's too real, people die in these streets  
I'm happy that I made it and I'm glad I seen the day today  
One life and one love, now let's pray to ourselves today  
Basedgod velli, basedgod velli
