

## Im 2 Real

Lil B

Just because he claim real don't mean that he real  
People lie every day for the money and thrills  
Had to take a step back cause the game too fake  
And I'm 2 real  
Just because he claim real don't mean that he real  
People lie every day for the money and thrills  
Had to take a step back cause the game too fake  
And I'm 2 real

People hate cause the clothes you got,  
The car you drive, the nicest watch  
Your home boys plot, associates  
They be close contacts but I know this shit

Had to move the small shit, cause the sea weed glass  
That was in my eye, blinded me  
Couldn't see the block, pay a sign to me  
Another clone, I chose to wake up
