Lil B

[Godfather:] "Hey, who is it?"

[Frankie Joseph:] "Hey let me in Godfather, it's Frankie Joseph"

[Godfather:] "Hey Frankie, you're the man!" [*opens door*] "Frankie, my boy!"

[Man #1:] "How you doin', Frank?"

[Man #2:] "Sup, Frankie!"

[Godfather:] "Hello, Frankie"

[Frankie Joseph:] "I know about all this artist..." [*puffs smoke*] "His name is Lil B the BasedGod"

[Man #1:] "Yeah, yeah, I know about Lil B, yeah..."

[Godfather:] "Oh, okay, okay..."

[Frankie Joseph:] "He seems to be very loyal, very authentic, very true, very positive, very respectful"

[Man #1:] "He's the BasedGod, yeah..."

[Frankie Joseph:] "They're the qualities that we all see... To becoming a made man"

[Man #1:] "This is true, this is true"

[Godfather:] "Tell me more, tell me more"

[Godfather:] "Frankie, my boy... You came to me this day to ask me for this favor. And I will give you this favor, but not as a loan. I have massive amounts of money, and I wish to now make more. I wish to be a part of greatness. I wish to be a part of history. And grant me this favor... is to be as based as you guys. So Frankie my boy, let's celebrate. Because today... we make history." [*pops champagne and pours*] "Here we go, here we go. That's it..."

[Frankie Joseph:] "Thank you, Godfather. I would never let you down"

[Godfather:] "It's no problem, Frankie"

[Frankie Joseph:] "I would never shame the name."

[Frankie Joseph:] "Let's toast"

[Godfather:] "Tonight, we celebrate"

[Everyone:] "Salut!"
