[Sound of Lil B sipping]
Girl I'm so thirsty

Put that p*ssy on my plate, let me get a taste
Only eat that shit first, like it's a race
Girl move your body, to the f*cking bass
Talking to the girl, I be in her face
Young ass nigga with a lot of cake
Blue maybach nigga, no plates

Running them things in '04
Counting that cash in the store though
Bitch wanna f*ck, you know me
The bitch wanna f*ck cause I'm Lil B
I do this thing, for my nig- (interrupted by the sound of Lil B sipping)

Might even pop a dish for the cause-cause
Feeling like, man, I love you
50 grand for a show, look at how I do
Damn! That girl fine in the pink
Finna cool off, and go have a drink

So thirsty, girl I'm so thirsty
I'm so thirsty, girl I'm so thirsty [x6]

Bought a couple ho's on Tuesday

Finna trick on a bitch cause I'm thirsty
Do it like that, cause it's like that

Please give me a cold drink cause I'm thirsty

So thirsty, girl I'm so thirsty
I'm so thirsty, girl I'm so thirsty [x6]

See a girl, she don't know how to act
Touch her butt then a nigga get slapped

I'm a whistle at the girl like, whoop!
