

# The BasedGod Is Perfect

Lil B

They call me Lil B man. I made history I'm still making history, walking history.

Yeah just take a look at me real fast, you feel me?

Take a look at Lil B take a look at somebody the knows the BasedGod I know t he BasedGod personally, you feel me? Lets go

Most niggas hate cause they used to getting paper  
Told the niggas I ain't leaving here to stay girl  
Believe it I dreamed it in night for your comfort  
Company when I need something I can hug on  
Believe I love you and nobody knows that  
All my hundreds is somewhere in Stockton  
Believe me baby we more than a option  
I ain't gotta hustle hard just to see when you clockin'  
Because you love me I can tell how we divided  
Because the light shining we make a fire  
I ain't made faces slapped a face on them dollars  
Presidents man they couldn't be copied  
A lot of people try to cheat when you focused without it  
A lot of niggas scared of money try to get dough about it  
I'm tryna get it a couple rings and some houses  
Paying rent when it's due, buying grapes by the ounces

I want you to be my girl  
I want you to pay me baby, you know what I'm saying?  
Lets get money ho, lets get money ho  
I want you to pay me baby, I want you to pay me  
Lets get money ho, Let's get money ho

How you gonna hate me when she really want to date me  
She know I won't date her so she hate me  
Money got me feeling like a safety  
Made rules on the field still safety  
Still counting money for the days I was aching  
Get my money I donate it to the world, people just take it  
I don't deserve it, disconnected from all the pain  
Wanna fly away with my bitch jump into a pull full of diamonds  
Niggas don't understand it  
I don't understand the world you should post a review  
Lucky if you get out them.. debts too  
Girls paying off my bills cause I'm tired  
Niggas keep it focused roam the streets in a wire  
Tryna piece up my paradise bitches sucking dick  
I'm getting money Lil b know that for sure  
Still baggin' up a ho  
I'm baggin' up all that dough  
It's Lil b

I need you baby, I need the money, I need bitches

I'm flexing on these niggas everyday man. Anybody want it lets go man.  
Basedworld Paradise nigga I got niggas in the front line Lil B on the front line BasedGod right behind me.  
Niggas can't fuck with that Lil B killing off everything and if anything ever happens to my young gunner  
I got BasedGod right behind me niggas can't fuck with him he perfect.  
We rocking till the motherfucker, fuck it
