

# Back And Forth

Lil Baby

It's like sixty girls, just me and gang and no one got they phone  
Getting to it  
If she out with us, then she won't make it home  
I'm a tourist  
Fuck me good tonight, tomorrow, I'll be gone

No insurance, we can't stop the car, I'm riding right or wrong  
This shit serious, bro just beat his couple charges, he coming home  
Don't play, period, I'll fuck a city girl then send her home  
All my jewelry hitting G.I.A. certified on every stone  
At this point, ain't even gotta put it on, they know wassup with me  
I made everybody shine together, you know I fuck with Gee  
Sell a thousand pounds of strong, for real, and that was in a week  
I been focused but I'm steady climbing, I'm nowhere near my peak  
You emotional, won't go to war, you know that she a freak  
Like to pop it if I put it on, you know that it ain't cheap  
Knock her down and then I break her off, I know that shit ain't free  
Naw, for real, I never paid to hit, I'll pay a bitch to leave  
Switches hot so we done stepped it up to Glock 17's  
I ain't backing down from nothing that can talk or can bleed  
Bruh, I'm somewhere at the World Cup, I'm not in yo league  
You was playing the game when I was on the block chasing my dreams (Yeah)

I was pulling up with testers tucked to pass out to the fiends  
I spent five-something on a Rolls truck and I'm fresh from out the streets  
Drop the price  
Smoke smack and ice, my trap a trampoline (My trap a trampoline, yuh)  
Said I'm tripping  
I'm still into spinning, speeding off on the scene  
Baby heard of me for bussing yeeks  
Before he heard me speak (Before he heard my rap)  
Drop a V like flocks of geese  
On a island or a beast (On a island or)  
Break my dog down to grease (Break my dog down to)  
You want it raw or want it cheap? (You want it raw, want it rare, hmm?)  
You a shiner, you with me  
You see them diamonds on our teeth (You a shiner, you see diamonds on my)  
Fuck would I be scared for? I'm spraying (Fuck what I be, I'm spraying)  
Something that weigh enough, decapitate a werewolf (Brrrt)  
A load, you know I'm paying her (You know what's up)  
Fuck her like I care or something (Fuck her like I)  
I eat her, I don't smell nothing (Muah, muah)  
Baby send me hoes, I send him hoes  
So we be sharing them (Know that we be sharing 'em)  
Richest nigga out my area, I can't even carry us (Can't even carry us)  
Gangsta, I'm the type to spank him  
Help pay for the burial (Help pay for the burial)  
4PF and EST (4PF)  
Me and baby James and B (Me and baby James and)  
Niggas better stay in they league (niggas better stay in they)  
I'm one of the realest niggas to ever breathe (One of the realest niggas to)

It's like sixty girls, just me and gang and no one got they phone  
Getting to it  
If she out with us, then she won't make it home  
I'm a tourist  
Fuck me good tonight, tomorrow, I'll be gone

(Tomorrow, I'll be gone)
