

Real As It Gets

Lil Baby

ATL Jacob (DY Krazy)

I been saving my guala, I ain't saving no bitch
I had pulled out my Glock but I picked up a stick
Don't get in hatin' shit, I'm on some greatest shit
My people proud, I'm as real as it gets
Gon' have to chase me, I don't like to wait
And I swear I'm impatient, I don't like to sit
I made a way for you lil' bitty niggas
I wish you would play with me, boy, you a bitch, yeah

Just got exotic, I told them to mail it
I don't gotta touch, somebody gon' sell it
Bro gon' keep it solid, I know he won't tell it
Grew up in the streets, I ain't never stop barely
I didn't have shit, I ain't never get jealous
Born in this shit, I grew up with some felons
Reach for this water, we'll go at your melon
My lil' bro a slime, he'll draw on a reverend
I don't really have to talk about steppin'
'Cause my niggas never get caught when it happen
I'm set on servin' in the morning, I'm snappin'
You can take this as your warning, I'm packin'
F.N. inside of my hand when I back in
Get to actin', I promise we clappin'
Joke's up, it gotta be stamped on the package
It's the real one, you know that I'm taxin'
Get the ball, I'ma score or I'm passing
Got no love for no ho, I ain't passionate
I done ran up a dub on an accident
To the streets, I'm the voice, I'm an advocate
Ask the plug, this the most he done ever sent
Niggas broke, what's the most you done ever spent?
Gettin' paid, this the most I done ever saved
We gon' hop out with Ks in broad day
