

## Stressing

Lil Bibby

Ain't enough smoke in the world  
That help me ease my stress  
Ain't enough lean in the world  
That help me ease my stress  
Ain't enough molly in the world  
That help me ease my stress  
Ain't enough money in the world  
But I can guarantee ima get it

Ain't enough smoke in the world  
That help me ease my stress  
Ain't enough lean in the world  
That help me ease my stress  
Ain't enough molly in the world  
That help me ease my stress  
Ain't enough money in the world  
But I can guarantee ima get it

Young boy get money it's nothin  
But all these niggas really see is me stuntin  
Young savage for the money im huntin  
Paper taste you can wait im runnin  
Hustle hard, I'mma make me some  
Bet if shit ain't lookin good ima take me some  
Got some young shooters and they keep ones  
Nigga you can just blame it on the place we from  
Ain't enough smoke Ain't enough lean  
You ain't did what I did  
You ain't seen what I've seen  
All this stress for a nigga 18  
Started from the bottom  
Now I'm living my dream  
Gotta go hard do this shit for my team  
I be in the booth all work no play  
2013 man this shit is ovay  
All this stress make my hair turn gray  
And my bitch wanna fuck tryna mess with my day  
Fucking with these beats, I'm the next Kanye  
Number one rule, don't mess with my king  
I'll kill a nigga dead if he get in my way  
Say ain't enough money in the world  
Don't waste my time with these girls  
And You thought she was your world  
But she'll fuck for diamonds and pearls

Ain't enough smoke in the world  
That help me ease my stress  
Ain't enough lean in the world  
That help me ease my stress  
Ain't enough molly in the world  
That help me ease my stress  
Ain't enough money in the world  
But I can guarantee ima get it

Ain't enough smoke in the world  
That help me ease my stress  
Ain't enough lean in the world

That help me ease my stress  
Ain't enough molly in the world  
That help me ease my stress  
Ain't enough money in the world  
But I can guarantee ima get it

Get money, go broke, man its stange  
Street shit it'll drive a nigga insane  
Nigga get money now that's a big change  
I want the cars and the hoes and the big chains  
I want the Gucci and the Louie and the big names  
All black two sitter when I switch lanes  
Car cost a crib I just leave my shit plain  
Foreign bitch, I don't even know the bitch name  
Stay schemin'.. day dreamin'  
I don't wanna live a life with no meanin  
I don't want a 9 to 5  
I just wanna lay, call up my maid  
Cause a nigga hate cleanin  
Work hard cause you know I like nemans  
Where the money at? You know I stay fein  
Young nigga keep squares out my circle man  
I just wanna show up cause these niggas don't believe em

Ain't enough smoke in the world  
That help me ease my stress  
Ain't enough lean in the world  
That help me ease my stress  
Ain't enough molly in the world  
That help me ease my stress  
Ain't enough money in the world  
But I can guarantee ima get it

Ain't enough smoke in the world  
That help me ease my stress  
Ain't enough lean in the world  
That help me ease my stress  
Ain't enough molly in the world  
That help me ease my stress  
Ain't enough money in the world  
But I can guarantee ima get it
