

Trapspots

Lil Bibby

Bibby Frank why they try to ride you
I got a job for you
Meet me in the lobby
Look

Shootouts in my hood, shit like Black Opps
Turn my momma house into a trapspot, aye
Trapspot, I got trapspots
Look, Trapspot, I got trapspots
Look, Margielas on kinda flex
You ain't tryna fuck, bitch I see you later, aye
Look, keep cat that's a fact
Turn my momma house into a trap

You know I like a hood bitch, extra boujee
Took her from McDonalds, got that lil bitch eating sushi
Make her hold my toolie, we ain't going to no movies
Tell em even if you pay her she ain't fucking with no goofy, look
Booling with my plug he sniffing raw
Leaning with my shooters sipping raw, aye
Lil shorty 19 I like her jaw
Swear she swallow everything my shorty raw aye
My youngins thirsty waiting on that call
I nod my head and they gon knock it off, aye
Shorty got an ass and it soft look
And she gon give her last to a boss, aye
On the E-way I'm just thinking about the past
Living with my momma I was fucked up on my ass
I was out of town I made my momma send my bags out
About to buy her that new whip I know you like that Jag ma

Shootouts in my hood, shit like Black Opps
Turn my momma house into a trapspot, aye
Trapspot, I got trapspots
Look, Trapspot, I got trapspots
Look, Margiela on kinda flex
You ain't tryna fuck, bitch I see you later, aye
Look, keep cat that's a fact
Turn my momma house into a trap

Cooking ramen noodles out the crack pot
Tell me why I get harassed by the black cops
You could keep it take my youngins like the black Glocks
Goofy clapping out the one way Bibby got ya
Niggas sending threats but never see it through
Riding through the night and started shooting at my vehicle
My youngins need some work don't make me put a key one you
Pull up with them sticks now candles lit
Now R.I.P to you

Shootouts in my hood, shit like Black Opps
Turn my momma house into a trapspot, aye
Trapspot, I got trapspots
Look, Trapspot, I got trapspots
Look, Margiela on kinda flex
You ain't tryna fuck, bitch I see you later
Look, keep cat that's a fact

Turn my momma house into a trap, aye
