Chest Wide Open

Lil Boosie

Bust your chest wide open (Get it like you live...like the beat drop) (Rodney!) Keep somethin to bust a nigga chest wide open (The dj that run the south dj cool breeze) Bust a nigga chest wide open and a round drum Bus ol' cosmoski hey partner You really want that beef shit So you really want jump out and tear some street shit I keep somethin to bust a nigga chest open I told you bitches back in 1994 I was gonna blow Now these dusty ass hoes sucking dick and touching toes But them poppas will set you up and get you hit for your dough Thats why I quick to pull that trigga on that nigga Hope litta buddy you want your whole mutha fuckin chest toasted Try and jack me and I'll leave dead with your eyes open I'm not jokin Want a see a body? Thats some boys in the hood shit Knockin chucks outta nigga chest with a full clip Boosie lately I've been trying not be that violent But niggas get shot over stupid shit like diamonds Reach for my chain and they gonna be sweepin up your brain I bang, bang with thang ain't no bitchin came I keep somethin to bust a nigga chest wide open and a round drum Bus ol' cosmoski hey partner You really want that beef shit So you really want jump out and tear some street shit I keep somethin to bust a nigga chest open I send this out to my enemies and playa haters Do you really wanna to get stomped by a terminator? Cant even hustel get no paper on your street now So ask yourself do you really want to beef now For gone Play with me now Choppers and vests 35 smiths and wess Ain't no bitch up in my blood and that's the mess I'm stress You heard my ross and the booviegard Do your research on the boosievard its homicide no matter who you are Chopper and knives and texts Them hollow tips rip your backs spines and necks I'm working like a like a fuckin venice beef Man i came ready all day pistol grip Turn your face to a Chucky doll with a fork lift Bust his ass come get your money back nigga Tell me what that nigga said before you hit him in his head You look in the scope and bust a nigga wide open I was young puttin in work Donkey told me shoot em first Alright!
