

Fuck the Haters

Lil Cuete

HaHaHa

Thats right

Its that number one gun

LIL CUETE

N I just got one thing to say to all your mutha fukkin haters out there

haha.. f**k U

crazi lil cholo

Hear to let you know

that I roll with that norwalk gang

click click bang bang

all these fukkin levaz

cuz they have no clue

of what I came to do

put it down for the brown n the southside blue

keep it true to that norwalk city

all these hinas tryna get with me

but i got time for them all

when ur feeling horny then you give me a call

n ill be there with the quickness

cuz anyways u where next on my hit list

but first its maryjane smokein everyday

always getting high bumbing in the back round

stoned outa my mind outs my mind getting stoned

ask me why n ill say because i love to blaze

crazi life is what they say they tell me to stop

but ill do it anyway

f**k what the hater say im here to stay

pipmin on these bitches every mutha f**kin day

f**k what the haters say macking on these hinas

and you know im getting paid

I said it before and ill say it again

lil cuete commin on back now reppin the flip so tell a friend

that the cuetes on the mic f**kin it up every night

an u might be the next one that lil cuete has to check

so you better show respect when I come around

got the cuete loaded n im pumping all these rounds

so you better keep tucha

got the hollow point bullets n ill shoot ya

the number 1 gun ill never f**king miss

but step back when these levas get me pissed

the son of a gun that will never run is always getting some

always in the mix you cant f**k with this so dont even try

when you wonder why it just because im always getting high

you cant hold me down cuz im higher then the sky laughing as you cry

haha haha

f**k what the hater say im here to stay

pipmin on these bitches every mutha f**kin day

f**k what the haters say macking on these hinas

and you know im getting paid

I thought id let you know

before I let yout go they call me lil cuete

cuz the cuete that I hold 24/7

not for a second dont make me pull back on the trigga
got fingga reach out n I bet that all you f**king bitches
I bet your wishen that im gone
but im kickin it all night long n when I do
I finish strong do it till the last drops gone
then you know that the cuete dont f**k around
its just another day n im kickin back
where the homiez around smokin a sac
the homies are hitting the rest in the back
I always stay packed im watchin my back
you thought I would blink started out grippin
im pullin the cuete from under my seat

HAHAHA

Thats right,Thats right
