

## 2 Cups

Lil Debbie

All I need is 2 cups of some lean  
And a bad bitch just to roll up my weed  
Bended through the city with the gold on my teeth  
Probably in the scrape with the 4's underneath

Probably in the scrape with the 4's up under  
We keep it on the low I'm tryna stay on the under  
But everybody know me man they taking my picture  
Bad bitch with me just to roll up my swisher

They know me from the bay all the way to LA  
From Telegraph to Fairfax they know my name  
I'm the same one they get the swag from  
I've always had swag while they never had none

Bended through the city with the gold on my teeth  
Fly out your bitch just to roll up my weed  
Pick her up in the scraper with the 4's underneath  
She came with everything cause she know what I need

Probably in the hood but my car from Europe  
The crazy part about it is this broad from Europe  
I flew her ass south just to roll my weed up  
Double cup love gon' and pour my lean up  
Bended through the city with the gold on my teeth  
Swagged out doe car note on my feet  
She know I get that check so ain't no time to play  
New Rolex ain't got the time to pay  
But she gon roll the weed up I'mma bring the fruit cups  
Hundred dollar sprite when I pour this on my soda  
We don't need much just 4 styro foam cups, a lil crushed ice some kush we go
