They know we love the guys with the cars that go BOOM!

Boom, boom, boom, boom, boom, boom, boom
They know we love the guys with the cars that go boom

Uh, hear the rumble in the trunk
I get goosebumps when the bassline thumps
So, let it bump...
Switchin' 4 lanes, couple blunts of the skunk
Light it up, high shit
Turn it up, that's my shit
Do a hundred on a highway
Hear this shit bump from a mile away
Can you hear it? Can you feel it, can you feel it? We the realest
Fuck all you lames you can suck on my clit
I got moves to be made, ain't no time for your shit
Word to my mother, bitch

They know we love the guys with the cars that go boom
