Lil Debbie

Don't you want a girl like me
Who could change your world like me
Think you need an upgrade like me
So you be Jay, I'll be Bey
You pour shots, I'll roll tree
Beach front views, all we see

With a G-String on and an old white tee
Got the perfect feel, toes curl like he he

Oh yeah that's right
I think he fell in love last night
I think he found the plug that light
