

# I Do My Thang

Lil Debbie

By the time you hear this  
You can tell a thang  
Tell the weatherman to focus  
Let it rain

I do my thang (thang)  
I do my thang (thang)  
I do my thang (thang)  
I do my thang (thang)

Right, cash rules everything  
That's why Debbie is all about the [?] man

I do my thang  
I do my thang  
I do my thang  
I do my thang

Do your thang  
Do your thang  
Do your thang

Bitch I be turnt the fuck up  
In the club pouring up, like I don't give a fuck  
Never don't, never did tho  
Motherfuckers try and judge let me live hoe
