

On Sight

Lil Debbie

These bitches that I came with
It's that any day shit
It be on sight
If you want it you'll get it you with it we with it
I will be spittin
It should be on sight
Don't think that I'm different I talk it I live it
I catch you slippin it should be on sight

Try to tell these hoes
Pussy in the air, yeah I smell these hoes
Tried to warn these hoes
Speaking of my name now I'm on these hoes
It's like that
Y'all fall off
But I'm right back
Reloaded, bitch fight back
They want my spot and I like that
That's motivation
I fucked the whole game and made you bitches
Like pro creation
So they all my children
Fuck ya'll feelings
Got no relation
I'm meditating off medication
Ain't heard my shit you already hating
Ain't seen me fall you already waiting, shit
This my fuck you too
California Sweetheart Part 2
But you hoes ain't ready
Lock and load, got my strong arm steady
Got a 9 for the bitches who be out of line
Mayday ak going calabine
So you know that it's all on sight bitch
Lil Debbie be the realest that you ever find yup

These niggas that I came with
Just know they ain't the ones you wanna play with
It's that anyday shit
It's the reload let me hit you with that K bitch
It be on sight
If you want it you'll get it you with it we with it
I will be spittin
It should be on sight
Don't think that I'm different I talk it I live it
I catch you slippin and this gonna be on sight

These bitches that I came with
It's that any day shit
It be on sight
If you want it you'll get it you with it we with it
I will be spittin
It should be on sight
Don't think that I'm different I talk it I live it
I catch you slippin it should be on sight
