

Queen

Lil Debbie

Livin' my life like it's golden
Look at my wrist and that motherfucker frozen
Got my city on, now that motherfucker's rollin'
Look at my pockets, motherfucker's on swollen, bulging
Look at my motherfuckin' time, different days
Same gang, G's up, hoes down, let 'em drown
'Cause whatever we do, we do it flawless
Bitch, I'm going big, as big as Christopher Wallace

Bitch, I stay high, high as fuck
Roll another backwood fired up
I'm high, uh, what's up?
Grew up in the city and they ride with us
'Cause I'm the queen
I'm the queen, I'm the queen
I'm the queen, I'm the queen
What'chu mean, what'chu mean, hoe?
I'm the queen, I'm the queen
