Blunts getting fatter, stacks getting fatter
Bitches looking, watch me as I pass ya

Bold bitches try to say they coming for me
All my real bitches, roll a blunt for me
Really, tell me what these bitches want from me
Bitches hating, for the fact I style on 'em
Drive in front of Benz, the bitch gon' pile 'em
Now I got it, bitch, I'm 'bout to wild on 'em
Fuck you haters mugging, got a smile for 'em
