

## Today

Lil Debbie

Get it good, get it, got it good, get it  
Get it good, get it, got it good

Today, I made my money in a new way  
I blew a hunnid K on Tuesday  
Don't give a fuck about what 'chu say  
Fuck what 'chu say  
Today, none of these new bitches amuse me  
You bitches played out like a two-way  
I live my life just like a movie

Throw-throw-throw beats, we smash on it  
We go hard like "Oh, Lord"  
Throw-throw beats, we smash on it  
We go hard like "Oh, Lord"  
I means my doe, bitch, I means my doe  
Bitch, I means my doe, I don't give a fuck about...

I don't give a fuck if my check's alright  
Frames all black, flow off-white  
Crack motherfucker, yeah, my shit so fly  
Only gettin' started, it's gon' be a long night  
Flexin', flexin', flexin' cash on it  
Throw beats, we smash on it  
We go hard like "Oh, Lord"  
That high life lived fast on  
Bitches stayin' high like my base down low  
Grow my fuckin' money, bitch, I means my doe

Throw-throw-throw beats, we smash on it  
We go hard like "Oh, Lord"  
Throw-throw beats, we smash on it  
We go hard like "Oh, Lord"  
I means my doe, bitch, I means my doe  
Bitch, I means my doe, my doe, doe  
I don't give a fuck

Get it, get it, get it good, get it  
Get it, get it, get it good, get it  
Get it, get it, get it good, get it  
Get it, get it, get it good, get it
