

# Attached At The Hip

Lil Dicky

I gotta problem with ma dick.  
Been hatin on him since I was a kid  
Way before I ever put him in a bitch  
Goin back y'all  
Never wanna trash talk  
So I made a track we could rap on  
Keep us intact  
And I know the fact is that you jewish  
But I don't want no excuses for ya size  
I know hella jewish guys who grew up between them thighs but no  
You actin like you was four  
You haven't changed since we young  
It's sad you that immature  
And I don't get it, I'm getting bitches, get you in kittens other dicks would die for  
But I'm barely hittin it, when a minutes ya high score  
And now it's real bad  
Cause you ain't movin on  
You twenty something and still live above ya two balls  
I been getting nine to five's, but I been keepin us with bitches that was tryn to ride  
But you a mafuckin fiend, and it's mean, we supposed to be a team  
You a dick, but I wish I had a penis

And this about a dick  
Who never took the time to grow  
And cum the second that he get in that vagina hole  
And I ain't lovin butting heads like this  
But you gotta stop fucking up ma shit  
And I ain't feelin bad  
And ion't give a fuck aboutcha problems  
But lay 'em the table, maybe we can solve em  
Cause you and I, we attached at the hip  
So we better get this settled up and fixed, right now dick

Hold up Dicky you ain't really mean it  
You got the nerve to tell me you the one mistreated  
I don't believe it, it's nuffin but egregious  
Cause I'm the one that's been getting beaten  
Obscenely in this mafucka right now  
Das a fact, and ma homies from ma sack'll have ma back  
You wackin me every mothafuckin day  
You acting like it's okay  
But imagine waking up feelin' afraid  
I'm prayin you stop abusing, but you confused  
If you blame me for the ejacs  
This about your brain I came because I react  
Hope that you concede that  
Cause it's on you, need to distract  
What can I do, if you never relax  
You see it's actually you that's in control all our faculties  
The pre-ejaculatory crap is a sorely inaccurate  
Acting like you was deploring me  
Warranted insecurity  
Scoring, ignoring the forming  
Of your own immaturity (not true)  
And now the prematurity's on ma head

But you know damn well it should be up on yours instead  
But if you loved and accepted me then that wouldn't be a problem  
Instead I'm in a dick numbing condom

And this about a kid  
Who never took the time to grow  
And cum the second that he get in that vagina hole  
And I ain't lovin butting heads like this  
But you gotta stop fucking up ma shit  
And I ain't feelin bad  
And ion't give a fuck aboutcha problems  
But lay 'em the table, maybe we can solve em  
Cause you and I we attached at the hip  
So we better get this settled up and fixed, right now kid

Wow, I think you need to get a grip dude

I'd say the same, but I'm betting that you will soon

Real funny dick, I can't even stomach this  
How you gonn act like I'm wacking ya shit for nuffin  
He frontin up in this mothafucka, bluffin on the beat  
Wouldn't beat him without a reason he sung it incomplete

Tell me why then.

Why you always tucked in ma jeans  
It's cause I'm with a woodpecker like I'm stuck in a tree

Well I confess I'm erect on occasion  
But up in the Bahamas -

Hold up we that was a vacation

Is that what you call it, as I recall  
You was mauling me day and night  
Only sex you got was dry, aggressively rubbing fly  
I was chaffed up. You the fuckin problem dicky wake up

Well what about the time you wasn't stayin up?  
I was with a top 5 dime of ma life

Well you the guy that was drinkin all the goddamn wine  
Fuck that, you a cold, crooked mafucka, where's your heart

And you a toad looking muthafucka, Mario Kart

So this is it?

This is it, you a dick I need a penis

No you a dick, I need a human being

So this shit about a kid (dick)  
Who never took the time to grow  
And cum the second that he get in that vagina hole  
And I ain't lovin butting heads like this  
But you gotta stop fuckin up ma shit  
And I ain't feelin bad  
And ion't give a fuck aboutcha problems  
But lay 'em the table, maybe we can solve em  
Cause you and I we attached at the hip

So we better get this settled up and fixed, right now dick
