

Earth

Lil Dicky

What up, world? It's your boy, just one of the guys down here. Well, I could be more specific. Uh, I'm a human, and I just wanted to, you know, for the sake of all of us earthlings out there, just wanted to say:

We love the Earth, it is our planet
We love the Earth, it is our home
We love the Earth, it is our planet
We love the Earth, it is our home

Hi, I'm a baboon
I'm like a man, just less advanced and my anus is huge

Hey, I'm a zebra
No one knows what I do, but I look pretty cool
Am I white or black?

I'm a lion cub, and I'm always getting licked (Meow!)

How's it going? I'm a cow (Moo!)
You drink milk from my tits (Moo)

I'm a fat, fucking pig

I'm a common fungus

I'm a disgruntled skunk, shoot you out my butthole

I'm a marijuana plant, I can get you fucked up

And I'm Kanye West

We love the Earth, it is our planet
We love the Earth, it is our home
We love the Earth, it is our planet
We love the Earth, it is our home
We love the Earth

Ba-dum-da-dum-dum, ba-dum-da-di
We are the vultures, feed on the dead

We're just some rhinos, horny as heck

I'm just a giraffe, what's with this neck?

Hippity-hop, I'm a kangaroo
I hop all day, up and down with you

I'm an elephant, I got junk in my trunk

What the fuck? I'm a clam!

I'm a wolf. Howl!

I'm a squirrel, lookin' for my next nut

And I'm a pony, just a freak horse, heh-heh-heh
But, uh, c'mon, get on (Yah)

Giddee-up, let's ride

I'm HPV, don't let me in

I'm a koala and I sleep all the time
So what? It's cute

We love you, India

We love you, Africa

We love the Chinese

We forgive you, Germany

Earth, it is our planet (It's our planet)
We love the Earth (We love the Earth), it is our home (Home)
We love the Earth, it is our planet (It is our planet)
We love the Earth, it is our home
We love the Earth

I'm a man (Hello?)
Can you hear me? (Anyone out there? Hello?)
I've trudged the Earth for so damn long
And still don't know shit (What's going on?)
I hope it's not a simulation (Huh)
Give each other names like Ahmed and Pedro
And, yeah, we like to wear clothes, girls still look beautiful
And it covers up our human dick (Woo), eat a lot of tuna fish
But these days, it's like we don't know how to act
All these shootings, pollution, we under attack on ourselves
Like, let's all just chill (Hey), respect what we built (Hey)
Like look at the Internet! It's cracking as hell
Fellas, don't you love to cum when you have sex? (Ayy)
And I heard women orgasms are better than a dick's (Uh)
So what we got this land for? What we gotta stand for?
Love, and we love the Earth (The Earth)

Oh, yeah, baby, I love the Earth
I love this planet

Hey, Russia, we're cool
Hey, Asia, all of you, c'mon
Every one of you from the plains to the Sahara
Let's come together and live

Hum-dum-dum-dae-dum, hum-dum-dum-dae-dum

□-□-□□ □□ □□□

Amamos la tierra

□□□□

(We love you, we love you)
C'mon everybody, I know we're not all the same
But we're living on the same Earth
(We love you, we love you)

Have you ever been to Earth?

Everyone who's listening has been to Earth, Ariana
(We love you, we love you)

We're not making music for aliens here

Are we gonna die?

You know what, Bieber? We might die

(We love you, we love you)

I'm not gonna lie to you

I mean, there's so many people out there who don't think global warming's a real thing. You know? We gotta save this planet. We're being stupid

Unless we get our shit together now

Guys, everybody look into whatever the fuck Leonardo DiCaprio is always pushing, 'cause I feel like that guy knows more about... the Earth and how we're fuckin' it up than... anybody!

If the aliens did come, we should definitely send Leo as our guy, our rep

In fact, the profits that come along with the streams and the sale of this song are going right into the Earth

Let's raise some money for charity

Any words, Leo?

This might be my favorite song ever

It's awesome

Wow

Thanks, Leo

We love the Earth, it is our planet

We love the Earth, it is our home

We love the Earth, it is our planet

We love the Earth, it is our home

(Ooh, ooh, ooh, ah, ah, ah, ah, ah! Woo, hoo, hoo!)

(Guys, thank you so much)
