

Interlude

Lil Dicky

Brain, you're so cute

Aight

I just..I felt really in the moment there, the way the light is
just glistening off of your creases

I...I'm tryna focus, bro

Okay, okay. Can I do one song like without you on this project?

Without me?

No, it'll still be your song, but you'll be more like a DJ Khal
ed of it. Like..the organizer, the facilitator as oppo- like yo
u pick the rappers but I just wanna go really hard like really
bad without you be-

What makes you think I'd even pick you, bro?

Well, c'mon, Brain. We both know that you would pick me

Well this shit better be hard, bro
