

# Menage

Lil Dicky

I've never had a menage, I'd rather get a fiancé  
Mom up my ass like a prostate, she thinking forward like Blockc  
hain  
But I'm sitting thinking 'bout the fourth grade  
I was hitting on the Macarena  
Visualising all the packed arenas  
I ain't have shit on my hands except Cheetos  
That was the top, back when Dwayne was The Rock  
Back when jerkin' off used to be the motivation  
I would come home racing tryna' beat my momma to my crib  
Get naked then I'll go on Maxim.com for the pictures  
Put the shower on while I'm sticking the printouts to the showe  
r wall using steam  
Then I put the shower head up on the massage setting  
What the fuck was that, how was I...
