Another Friday afternoon

Got a teddy on the bed, you bet he playing little spoon
Pimpin I ain't fittna move shit
Bitches getting stupid
But I ain't getting hammered less you handing me a tool kit
And yea I know the cool kids are drinkin at the bar
But I just ate a chicken parm
And then got faded in ma car
And there's tomato on ma navel, as I'm layin in ma arms
Debating if it's safe to wait because bathrooms kinda far
Goddamn.
I don't wanna go nowhere
Why the fuck these bitches call ma cell
Ion't really care what the fuck they do
I just wanna lay in bed and jerk off ma self
Sun is going down, I bet the club been going down
But I don't wanna fuck with nuffin less it's something in the house
And now I'm naked on the couch
With raisenets in ma mouth
I'm playin a stupid asian in NBA 2k12
And I'm beatin that ass with the Utah jazz,
Youjizz on the tablet, loading multiple tabs
As I pack bowls, mac pro, chattin with a black ho
Dat want a redskin sack, call dat bitch orakpo
Crack flow, fuckin with a lotta fuckin snacks bro
Cookies in the oven, whatcha know bout how I stack dough

And I ain't got no mafuckan plans ya diggg

Don't wanna drink, man you couldn't even pay the kid
Who knew that layin in the crib would make a hit
So put ya hands in the air if you stayin innnn
If you don't even care what day it is
Ya had a long week, roll weed, take a hit,
Go on Demand, take a gander and play some shittt
