

Fresh Off The UFO

Lil Double 0

Walk Down Gang
Fresh off the UFO
Lil Double get high 'til I can't no more (Slatt, Slatt, Walk it down)
Walk 'em down with that pole
See an opp, whack an opp, then we uppin' the score

Since 2019, I kept me a blick
No bap, Lil Double 0 known for the sticks
Lil bro hop out, get accurate, steady be whackin' shit
When he walk sum down, don't miss
Lil freak hoe doing the nasty shit
I could not cuff her or love her, no time for a bitch
Ain't no trust in these streets because these niggas ah snitch
Seen a real cop killer, he turned to a bitch

Double 0 ah never fall for that shit
Everywhere that I go, walk around with two blicks
No Bap, let me tell you a story before I started rapping
I was broke and felt down bad, getting lied by a bitch
Never met a hoe that really deep down loved me
That's the number one reason I'll fuck a nigga bitch
Three shooters, we still gon' whack him on camera
Don't care 'bout the public, I told lil bro gotta make a statement on these
bitches (Uh)
Double 0 walk down, kill it (Uh)
Fuck the rap industry, I'll make them feel me
My mama said up in her dream, they was killing me
Got snipers from long range, JFKennedy
We gon' whack 'em, and walk on the opps for infinity
Got a 30 round, I only gave 'em boys 10-a-piece
Two opps, dead, laid up on the 4th street
Know I'm fighting them demons, I put some under me
10 guns, 5 niggas, add it up, 2-a-piece
Walk Down water, you look at my jewelry piece
I went through the wildest, I came out a little beast
The reason I'm rocking these shades cause me and these niggas ain't the same
, cause none of them seeing me
Niggas really just like T-
Pain, they get a little fame, but ain't get no money, you done to me
