

Ja - Morant

Lil Double 0

(Kelun, drop that shit)

Alright, I'ma give y'all the straight rundown

Nigga still big team 4k (Kelun, drop that shit)

Just 'cause a nigga get a little money and a little fame, don't
think a nigga gon' change

(Honcho on the beat, bitch)

Feelin' like I'm MVP, Ja Morant fresh off in the league

Smokin' on exotic tree, Backwood, it's not no Swisher Sweet

Slidin' in an SRT with that brand new Glock 23

Lil' opp ho, she from the east, she suckin' and she fuckin' me

Feelin' like I'm MVP, Ja Morant fresh off in the league

Smokin' on exotic tree, Backwood, it's not no Swisher Sweet

Slidin' in an SRT with that brand new Glock 23

Lil' opp ho, she from the east, she suckin' and she fuckin' me

Fresh off in the game and I can't play, get up out my way

But if you want the smoke, bitch, we got Dracs and we gon' let
'em spray

Hop out with that baby AR, shoot the boy straight in the face

Smokin' all this weed, I get to tweakin', think my shit got lac
ed

700, we gon' yellow tape you like First 48

Ain't nobody straight, clutch on the Drac', screamin', "400k"

Plug callin' my phone, say he got the strong, so I'm movin' the
weight

And I was only sixteen, sellin' strong where my great grandma s
tay

Two thirty clips up on the chopper, add it up, that's sixty plu
s

And 60 on the way, I know the judge thought he got rid of us

Slauson on the way, when he come home, know we gon' turn him up

And my nigga so with the move, he tryna wrap your mama up

JD, he just beat a body, my boy on the way

If they play with my right-

hand man, they gon' get shot in the face

I be drivin' fast, I'm finna crash, I think I'm in a race

And I love smokin' on these White Runtz like I don't fuck with
my race

Feelin' like I'm MVP, Ja Morant fresh off in the league

Smokin' on exotic tree, Backwood, it's not no Swisher Sweet

Slidin' in an SRT with that brand new Glock 23

Lil' opp ho, she from the east, she suckin' and she fuckin' me

Feelin' like I'm MVP, Ja Morant fresh off in the league

Smokin' on exotic tree, Backwood, it's not no Swisher Sweet

Slidin' in an SRT with that brand new Glock 23
