

# Back In The Day

Lil Durk

We on our OTF shit, you heard?

Back in the day when I was young, I'm not a kid anymore  
Sometimes I sit and wish I was a kid again  
We used to play, nowadays I don't see you anymore  
Late nights I swear I miss the feeling  
Its those stars who were young and wild  
It was my number that you always dialed  
Back in the day when I was young, I'm not a kid anymore  
You know, you know, you are  
Back in the day when I was young, I'm not a kid anymore  
You know, you know, you are

Used to hide the drugs in the attic, play ball in the crates in the alley  
Five deep one room one [?], growin' up in the streets a challenge  
Shout out to the daddies who ain't vanish, shout out to the mothers who ain't vanish  
Ain't want her to get her hair did, I told her eat her salad  
We was in that shit for real, slide in that Bonneville  
They gave me all my bitches, woah, she gave me chills  
And I think you scared, you don't wanna turn up no more  
President racist, don't go to the Trump no more  
Bust down AP platinum with it, met that money I adapted with it  
I go broke then its back to trenches, with them killers I gotta admit it  
Last thing I'll do is move out the city, got six kids so I gotta get it  
'Cause you know

Back in the day when I was young, I'm not a kid anymore  
Sometimes I sit and wish I was a kid again  
We used to play, nowadays I don't see you anymore  
Late nights I swear I miss the feeling  
Its those stars who were young and wild  
It was my number that you always dialed  
Back in the day when I was young, I'm not a kid anymore  
You know, you know, you are  
Back in the day when I was young, I'm not a kid anymore  
You know, you know, you are

Been drinkin' this shit, I ain't care [?]  
Just a [?], mama work double on Wednesdays  
Told her one day, she can have it all, yeah  
One day, she can have it all  
For big bro, run it up like you told me so  
Air 23's, you know  
I went and bought me some

Hollywood, yeah, nah it's just not in my character  
She know me she think that I'm missin' her  
In the back of the Phantom I'm kissin' her  
Yeah I remember them bad days, young nigga had to make a way  
Young body like a fadeaway, nobody had to pave my way  
Huh, now bitch you gotta do what I say, goin' all day, it was hard to keep f  
aith  
You the cause of my tears, you gon' drown in a lake  
Look up to my peers, I don't make no mistake

Back in the day when I was young, I'm not a kid anymore

Sometimes I sit and wish I was a kid again  
We used to play, nowadays I don't see you anymore  
Late nights I swear I miss the feeling
