Basically for real (Basically for real)

Stay away from a fuck nigga yo' snitch ass

Bitch ass, tryin' pull me under like quicksand

When I do the dash I switch hands

With my day ones don't switch mans

Uh, caught the feds had good glass

Get on your ass and it's no pass

I used to rap with a notepad

Came from nothin' can't go back

My BM ride with both sides

My niggas rob with no mask

I fucked yo' bitch with no cash

She suck my dick got no ass

Came from the jungle it made me wild

Ball on your own gotta say the shit loud

Big G locked up over that metal

They wish he was out he could set an example (gang)

I just put mud in that Fanta

OG bought toys, ain't believe in Santa

You want smoke you smokin' camel

Better off go fighting cancer

Deadly, my shoe game on Jet Li

You been my brother when you met me

Sneak dissin' ass nigga so messy

Let's get it!
