

## Better

Lil Durk

Police niggas gave us people love  
I remember niggas needed us  
Real niggas all I need is trust  
Suck my dick I don't need to fuck  
Niggas wasn't in the field with us  
Niggas really wasn't seeing us  
In the way in the field for nothin'  
A lot of pounds take weeks to come  
Shit, you was my brother  
Changed on me for that cheddar  
You was my brother  
Hey, we can do better

How you gon' switch for that cheddar?  
I'm on Givenchy the leather  
How you gon' hold a vendetta?  
Just like I hold my beretta  
The money and the fame it don't matter  
Me and my brothers got better  
Niggas out here playin' checkers  
Never let a nigga check us  
Drill the opps that's what the hittas do  
Fuck a bitch let her switcharoo  
Cop a coupe, I'm a cop a coupe  
Ride me I'm a pity you  
You not my homie, these niggas fake they phony  
I gotta get this money, Neiman it's on me  
Can't let a nigga harm me, this.50 on me I'll reach  
Gucci flip flops and palm trees, show the world who to see  
So get yo' shit straight bitch 'cause I'm on one  
Surrounded by the millionaires and I've become one  
(Let's get it!)
