

Bora Bora

Lil Durk

All this clout shit you chasing that Balenciaga space cadet
I don't even fuck with niggas I just rather chase a check
Man this shit so crazy seen my idol with a fake Patek
I just sent my bitch to Bora Bora cost me 80 racks
I know one bitch ask me for a flight but she ain't ate it yet
I'ma hit that rode and try to jam it till I make it back
Can't a real nigga lie on they word and try to take it back
I might mix my Percocet with red I can't find the Act

Off a lot of pills kissing bitches eww
Designer junkie yea only top Chanel
Don't get caught with a scale
Fonem died in the field
We had split our meals
Went half on hotels
Gotta watch your mans that's the beauty of these streets
Look at me and my bitch that shit beauty and the beast
Never call my phone about the opps cause ain't no peace
Man this shit foreal found out my homie he police

All this clout shit you chasing that Balenciaga space cadet

I might mix my Percocet with red I can't find the Act

Through the room flew to the top
I shoot for the guy
Taking shrooms on me now
Car go vroom on me now
I got groupies on me now
I got Gucci on me now
I put blood on my shahadas
I got koofies on me now
Feel like I'm dying I'm too hot
Pluto died in the Chi
Got me riding around
100 rounds on em now
100 rounds on em now
Pluto died in the Chi
