

Days Of Our Lives

Lil Durk

These the days of my life
Niggas gotta go hard
Real niggas step up from frauds
Gotta put money before them broads
These the days of my life
Extra money I'm maxing
To get it much I'm on a stratch
And I tell her I'mma flex
These the days of my life
I'm living how I want to
Stunting like I want to
Winning is what I'm gone do
These the days of my life
I'm living how I want to
Stunting like I want to
Winning is what I'm gone do

These days of my life
Gotta go hard for my money
I can't retrust no bitches
Never put a bitch before my younging
I been locked up, oh yeah
Ain't got mailed or sent money
But I know the shit was coming
Cause this life all bout stunting
I be reckless
Ballin' like I'm Texan
Go hard cause I'm flexin'
My wrist cost me a mansion
Double all my rolls Royce
100 team I got no choice
These niggas don't make no noise
Hell yeah, I'm cocky
Niggas bet they can't stop me
Beat the Case like I'm Rocky
Bad bitch wanna top me
Niggas wanna drop me
L's up for my hittas
Tell them free my niggas
Balling hard with my niggas
Everyday get silly

These the days of my life
Niggas gotta go hard
Real niggas step up from frauds
Gotta put money before them broads
These the days of my life
Extra money I'm maxing
To get it much I'm on a stratch
And I tell her I'mma flex
These the days of my life
I'm living how I want to
Stunting like I want to
Winning is what I'm gone do
These the days of my life
I'm living how I want to
Stunting like I want to

Winning is what I'm gone
