

Dirty

Lil Durk

The way I did you in my past, I feel horrible
Catch me cheatin' with some bitches, I felt I told the truth
After tellin' money took over all my love for you
I'm in love, I'm in love, I'm in love with you
You did me dirty (whoa whoa)
I did you dirty (yeah yeah yeah yeah)
You did me dirty (whoa whoa)
I did you dirty, I did you dirty

Spend a lot of time on the road, I know you alone, you wish I was home
Been times I ain't pick up the phone, smoke one to the dome, what know what

You saw them bitches always ask me and I say don't worry
More money, more problems, don't care, just more dollars
Fuck dude and who had cosigned him

Can't fly without my copilot
You did me dirty, don't lie to me

No matter what, you s'posed to ride for me
You kept some secrets that'll bother me
But fuck that shit, just get on top of me

The way I did you in my past, I feel horrible
Catch me cheatin' with some bitches, I felt I told the truth
