

# Doin Too Much

Lil Durk

I cannot deny what I did with the bitch  
Maison Margiela's, I got it from Kith  
Different type of nigga they say I'm diff  
Fresh out the shootout, they hop in the Lyft  
Police came out when I wasn't in the crib  
Ain't no denying, I know what I did  
She can't deny what she did for the wig  
Call for a few, she swallow my kids  
I done did dirt in the streets I regret it  
You ain't got money, could play with your credit  
I am a addict, I do not regret it  
I gave him a gun and he shooting like Reddick  
Bad bitch, yeah I got a fetish  
105 thou just for the Patek  
Never tell niggas I love I ain't get it (Never tell niggas I love I love I a  
in't...)

Offered him drugs, he booted up  
He run in the club, he shoot up  
I come from the mud, I'm too up  
They didn't show me love, I grew up  
I'm mixing these drugs, it's too much  
Look at me now, I grew up  
Look at me now, I grew up  
Look at me now, I'm too much

Sports car had you cruising  
I gave you my love you abused it (Let's get it)  
Your nigga ain't shit he a goofy (He a doofus)  
Give him a check, he'll shoot him ruthless  
Look at this car, this bitch be zooming, zoom  
Metro Booming, boom  
Why you say shit that you won't do? (Let's get it)

I can't imagine going back broke  
You will stay rich when you claim you poor  
You broke my heart, but you claim you don't  
It is what it is, you know what you know  
I am the realest, forreal, fasho  
If bro gon' turn up with bows, let's go  
We could just never fallout 'bout a ho  
That shit is lame, it hurt me the most

Offer him drugs, he booted up  
He run in the club, he shoot up  
I come from the mud, I'm too up  
They didn't show me love, I grew up  
I'm mixing these drugs, it's too much  
Look at me now, I grew up  
Look at me now, I grew up  
Look at me now, I'm too much
