

# Don't Take It Personal

Lil Durk

Where you was at when I was in that war?  
I had nobody but me and my boys  
You niggas frauds yall ain't making noise  
But I ain't take it personal  
And I told you I was down to ride  
Now where you was when I was fightin' all them homicides  
But you wasn't with me in that war  
But I don't take nothin' personal

I'm in that field where it get real  
With plastic ass niggas playin' with the steel  
Pussy change for a little change  
Try to hang where I hang and then you got banged  
I done see the shit happen boy  
I ain't playin' my young boys they be clappin' boy  
OJ Auntie Rose  
Mikey Ikey Chief Wuk and Cali  
I tell them niggas go free Mikey boy  
These niggas they be bitches they be psych'ing boy  
Fuck who don't like me boy  
I'm a bull in this shit

Where you was at when I was in that war?  
I had nobody but me and my boys  
You niggas frauds yall ain't making noise  
But I ain't take it personal  
And I told you I was down to ride  
Now where you was when I was fightin' all them homicides  
But you wasn't with me in that war  
But I don't take nothin' personal

My first bank a case I had to calm down  
Caught a sack and lost J Money F-- around  
I gotta do another round  
I lost my guy that's when I went and made 100 rounds  
Now watch my niggas go bananas  
My homie got head shout out to Montana  
Chop 'em down like Montana  
I'm on the block I'm serving white, that Montana  
They told me I won't be shit  
They ask for hooks and features on some free shit  
I'm on some Steve shit  
Free Steve bitch  
RIP Steve shit

Where you was at when I was in that war?  
I had nobody but me and my boys  
You niggas frauds yall ain't making noise  
But I ain't take it personal  
And I told you I was down to ride  
Now where you was when I was fightin' all them homicides  
But you wasn't with me in that war  
But I don't take nothin' personal

And I told you I was warning you  
I was on D town I was on Normal too  
Abnormal

Niggas pussy sitching on me informin'  
And I ain't with the bullshit  
I got a deal and I still be on that bullshit  
I'ma warn your ass another time  
Call my nigga numba 9  
Nuski got the strap still  
Make your family go and make a will  
Police niggas go and make a deal  
OTF I'm in this shit for real

Where you was at when I was in that war?  
I had nobody but me and my boys  
You niggas frauds yall ain't making noise  
But I ain't take it personal  
And I told you I was down to ride  
Now where you was when I was fightin' all them homicides  
But you wasn't with me in that war  
But I don't take nothin' personal
