

# Don't Understand Me

Lil Durk

Signed to the streets  
Nigga I'm signed to this money signed to my block  
Real nigga shit man only real nigga could relate to this type s  
hit right now  
Free da guys free my real niggas

I do this for my family they don't understand me  
No new niggas round me they don't understand me  
I do this for my crew I do this shit for you they don't underst  
and me  
They don't understand me  
That street shit was getting hectic and them gun shots was gett  
ing reckless  
Rome introduced me to hector and I left my kinect naked  
Folk'nem had four walls I'll never forget about yall always pic  
k up them calls  
Scream free the guys on my blogs  
Send money off to them books even if I gotta sell hooks  
Or go low on my features that 10 bandz come in handy so yall go  
tta understand me  
Ain't giving passes like manning ain't giving passes like manni  
ng  
Bullet burn thru his skin like a tanning  
So this is for my loyal niggas no fuckery just loyal niggas  
So this is for my jail niggas get caught in that jam ain't tell  
niggas

I do this for my family they don't understand me  
No new niggas round me they don't understand me  
I do this for my crew I do this shit for you they don't underst  
and me  
They don't understand me  
My vision ain't the same vision my livings ain't the same livin  
g  
See what you know bout being missing splending plenty weeks in  
them kitchens  
Splending plenty weeks in them trips where shit get real, real  
fast  
Where you get killed fast without a plane you won't last  
See life you only get one  
Your dad took your ass done  
So live it up don't mess it up and give it up  
See I lucked up don't give a fuck I'm too up  
My crew up and yall is burnt up  
Shooters shoot to kill niggas  
Goofies kill for names  
Real hittas hit to hit  
Fake niggas them niggas ain't got no aim

I do this for my family they don't understand me  
No new niggas round me they don't understand me  
I do this for my crew I do this shit for you they don't underst  
and me  
They don't understand me [x5]
