

Going Strong

Lil Durk

Tahj Money
Ayy, pull up, Lam

Be direct when you be talkin', 'cause you talkin' like a gangster
A lot of niggas get confused 'cause they be knowin' that I'm famous
Speakin' of famous, I had some famous bitches touchin' on they ankles
Put a Nuski chain on my neck and I feel the love when it dangles
When they die, they mama trip like they ain't know that they was dangerous
You said you love him on your page, your mama knew that they were strangers
When I got it out the mud, I ain't really know about bein' able
Tryna take care of my whole family, tryna keep them bein' stable

I ain't gon' lie, I be claimin' I'm the realest
I can't lie, that fake love feelin' different
I can't lie, all the real gotta feel this
I can't lie, we goin' strong with these millions

Goin' strong with these millions
Goin' strong with these
Goin' strong with these millions
I'm goin' strong for these, uh

A nigga told me that you told, but I wasn't runnin' with it
I know how it is when you gettin' old, that's why I ain't Stunna niggas
I had a team buy a Rolls truck 'cause I got tunnel vision
You can ask 'em how it feel to be down, I was in that tunnel with him
When what's-his-name here got shot, what's-his-name was runnin' with him
And we had got on what's-his-name ass 'cause he was fuckin' with him
I sold the lean right under the line, I coulda cut it, nigga
And I ain't never mad about bitches, I'll fuck 'em with you (Mhm)
And it's a blessin', nigga
And I ain't gon' cap, I ain't have a Glock, I had a Wesson, nigga
And I ain't gon' cap, my opps was big, so I wasn't wrestlin' with 'em
I'm on that corner, he on that corner, we turned to Malcolm, nigga, in the middle
Promoters act like I wasn't hot, that's why I'm taxin' niggas
I told Whoop put down that lean, he movin' backwards with it
I treat that one bitch like a game, what's your Activision?
Niggas talkin' 'bout some bodies, I get to acting silly

I ain't gon' lie, I be claimin' I'm the realest
I can't lie, that fake love feelin' different
I can't lie, all the real gotta feel this
I can't lie, we goin' strong with these millions

Goin' strong with these millions
Goin' strong with these
Goin' strong with these millions

I'm goin' strong for these, uh
