

NLMG

Lil Durk

(Ayo, Carter. You're goin' crazy)
Ay, don't let me out
(Ay, Twenseventeen)
NLMG, never leave my glizzy
(Vaze on the track, boy)
(Oh my God, Hocus)
THF or death. Nothing else
Trouble crew
(Ay, VS iced it out)

Let me out, I want him right there (Turn this motherfuckin' car, man)
I never leave my glizzy, this ho come with me like everywhere (Bop, bop)
I just made a nigga get off of Wells 'cause he wasn't useful there (ay, get the fuck on, man)
Ain't even yell when he had seen 12, he must work for them (Ikee)
Let me out, I want him right there (Come here)
I never leave my glizzy, this ho come with me like everywhere (Stupid, boom)
I just made a nigga get off of Wells 'cause he wasn't useful there (Doodie in this bitch, let's get it)
Ain't even yell when he had seen 12, he must work for them (Ikee)

Damn, man, that nigga 12
Cigarettes, he out of jail
Trey, let that switch off (Boom), damn, they left a lot of shells
Ask about me, I was drivin' hundred pounds down the road (Down the road)
I was takin' plugs, five hundred thousand, I gotta go (Give me that)
Now I'm rappin', doin' shows (Doin' shows)
The bitches love me, Doodie Lo (Doodie Lo)
Couple opps, a few to go (Get 'em)
We slidin' to their funeral (Bitch)
Damn, now I'm off the Xans
Still servin' bags, still got the grams
You a bitch nigga, backdoor your man
Pour four ounces in a soda can (Drank)

Let me out, I want him right there
I never leave my glizzy, this ho come with me like everywhere (Bop, bop)
I just made a nigga get off of Wells 'cause he wasn't useful there (ay, get the fuck on, man)
Ain't even yell when he had seen 12, he must work for them (Ikee)
Let me out, I want him right there (Bop, bop, bop)
I never leave my glizzy, this ho come with me like everywhere (Stupid)
I just made a nigga get off of Wells 'cause he wasn't useful there
Ain't even yell when he had seen 12, he must work for them (Ikee)

Bail out track, tf-tf, now that nigga dead
I been a young savage since a haircut, I done grew my dreads
Your bitch on my dick, she tryna fuck, I told her, "Give me head"
I been out here gettin' this cake, ain't worried 'bout what no nigga said
Law told me he got on red, tf-tf, that nigga dead
Whole time that's his fuckin' kin, shit, it is what it is
Torch the V, then hop a Benz, no, we don't slide in vans
Torch the V, then hop a Benz, bitch, we don't slide in vans

Let me out, I want him right there
I never leave my glizzy, this ho come with me like everywhere (Bop, bop)
I just made a nigga get off of Wells 'cause he wasn't useful there (ay, get

the fuck on, man)
Ain't even yell when he had seen 12, he must work for them (Ikee)
Let me out, I want him right there (Bop, bop, bop)
I never leave my glizzy, this ho come with me like everywhere (Stupid)
I just made a nigga get off of Wells 'cause he wasn't useful there
Ain't even yell when he had seen 12, he must work for them (Ikee)

Let me out, ba-ba, I got both of them
Told bro to bust a U, just sit back, watch me work this bitch
With that Draco, I'm a hot boy, I just can't be cool with it
Still on Princeton, shoot that U-Haul up, it ain't no movin' me (Bop, bop)
Bully who? Deebo in my hood, that boy ain't bulletproof
Fifty, but that bitch kept jammin' (Huh?), G Baby say put forty-two (Huh?)
And I ran on forty-third and I blew the whole forty-two
And I'm with the trouble crew, try us and we murder you (Bitch)

Let me out, I want him right there
I never leave my glizzy, this ho come with me like everywhere (Bop, bop)
I just made a nigga get off of Wells 'cause he wasn't useful there (ay, get
the fuck on, man)
Ain't even yell when he had seen 12, he must work for them (Ikee)
Let me out, I want him right there (Bop, bop, bop)
I never leave my glizzy, this ho come with me like everywhere (Stupid)
I just made a nigga get off of Wells 'cause he wasn't useful there
Ain't even yell when he had seen 12, he must work for them (Ikee)
