Lil Durk

I can't get over my pain  
Make you feel better  
Fuck with niggas I know  
Won't make you feel better  
This is a lifestyle that I live  
Fuckin' with these different bitches  
And you tryna break my heart  
Fuckin' with these different niggas  
You know you can't get over me  
You know you can't get away from me  
You know bitches don't play with me  
You know you know

I know the consequences of my actions  
This shit real I ain't even just rappin'  
Fuck with niggas that I know get back  
How I know that boy ain't smash  
I know you with him cause he gotta sack  
You say you don't like no feelings attached  
I know that you lied can't mix it with facts  
Hooooooooooooo  
You think ima run back to you that shit dead  
Tell em how me and you be textin' each other yeah  
So you told me you wouldn't fuck him  
Know you lyin' why you scared  
U know I gotta bitch don't open your message leave you on read  
Can't talk to u like I used to  
Can't see me you gotta pull up Youtube  
Even though my situation you lose  
Fuckin' with your friend ex? Nigga you stupid  
I know you tryna figure out who I'm talkin about  
I told u imma spazz told me put the guns down  
You got em around your kids when they ain't around  
I can fuck on who I want I'm famous now  
Got yo friends all in yo ear sayin' that I'mmm bad  
And you keep on listenin' it make me mad  
Keep on reminiscing make me want to slide  
It seem like that you sold yo heart for a bag

I can't get over my pain  
Make you feel better  
Fuck with niggas I know  
Won't make you feel better  
This is a lifestyle that I live  
Fuckin' with these different bitches  
And you tryna break my heart  
Fuckin' with these different niggas  
You know you can't get over me  
You know you can't get away from me  
You know bitches don't play with me  
You know you know

Fuck this shit  
You broke my heart so many times I was like fuck a bitch  
I just wanna get the money nigga for the fuck a it  
Fuck them other niggas that you fuck with I don't fuck with them  
Tell your brother stay from around me cause I don't fuck with him

They don't really want no war with me it ain't enough of them  
You barely kinky but you a slut for him  
You ain't even that mean, but you tough for him  
You had me soft I couldn't function it  
Only gave me pussy, wasn't suckin' it  
I heard the rumors who you fuckin' with  
I wish I found out sooner that you a dirty bitch  
Back to the basics let's speak facts  
I was with you when I was sippin' act  
I doped you up you has menthol swag  
Square I don't ever wanna see yo ass  
Yea, I know imma dog that shit ain't fair  
Thought I'll be mad I don't even care  
Now I put my new bitch on the lier  
Diamonds in the air like chandeliers  
If she around then I'm aware  
You say "'only him'" you lyin' again  
Bluetooth in the coupe you need to pair  
That hoe shit was in the air  
If yo friends a hoe then you's a hoe  
Wherever you go I know they go  
Don't follow your dream you follow bankrolls  
Yo ass so fake thought you was ten toes

I can't get over my pain  
Make you feel better  
Fuck with niggas I know  
Won't make you feel better  
This is a lifestyle that I live  
Fuckin' with these different bitches  
And you tryna break my heart  
Fuckin' with these different niggas  
You know you can't get over me  
You know you can't get away from me  
You know bitches don't play with me  
You know you know
