

# Off The Shits

Lil Durk

My pockets put a couple bands on my wrist  
Got my own shit ain't gotta put on for the shits  
A lot of bitches choosin cuz they like the team I'm with  
These niggas think I'm losin but I'm really off the shits  
I be off the shits, I really be off the shits  
I be off the shits, I really be off the shits  
A lot of niggas losing but they don't be off the shits  
A lot of bitches choosin cuz they don't be off the shits

Niggas fuck with that lean shit, I really be off of that lean shit  
I could say what I rap cuz niggas know I be with that street shit  
Couple of them flex got me pouring up that reject  
Got me up high on the moon, tweakin like I'm ET  
Call one of them hittas up, put me one of them hittas up  
Then slide to the factory make all the bitches come cheif with us  
Got all the purp sip all the syrup, got me movin slow as her  
Be cool before you be allowed to share  
I won but you see a lot of Durk  
They copy me don't copy me, a lot of niggas be mockin me  
I'm on one ain't no stopping me  
It's been one cuz we got the streets  
Lebron you could bring the heat  
I'm on one ain't no stoppin me  
It's been one cuz we got the streets  
Lebron, you could bring the heat

My pockets put a couple bands on my wrist  
Got my own shit ain't gotta put on for the shits  
A lot of bitches choosin cuz they like the team I'm with  
These niggas think I'm losin but I'm really off the shits  
I be off the shits I really be off the shits  
I be off the shits I really be off the shits  
A lot of niggas losing cuz they don't be off the shits  
A lot of bitches choosin cuz they don't be off the shits

Stop playing boy I'm off the shits ask all of chiraq I'm on that viking shit  
OTF, O block, Lamron, 3hunna stop playin boy we been in this shit  
Off one off two off two off three all niggas straight doing all hits  
Kick a nigga door face on the floor, everybody on the block just tryna hit l icks  
Got the shit and my couple louis belts hold me up lil nigga catch how we do this  
I'm for flattin out fam like a bitch  
Never trust a bitch so she gonna do dicks, OTF to the grave boy I gotta get paid for that bama go hard like apes  
Kush too strong, kush my face, can't be broke so the paper I chase  
Run up in the spot we gon' take the whole safe, don't come back cuz the shit ain't safe  
Knock a nigga down have my mans steal the case, tough gettin around the block with an eighth  
On the block yeah you know I gotta move weight  
My name hold weight so theres guns in this place  
My name hold weight so theres guns in this place

My pockets put a couple bands on my wrist  
Got my own shit ain't gotta put on for the shits  
A lot of bitches choosing cuz they like the team I'm with

These niggas think I'm losin but I'm really off the shits  
I be off the shits I really be off the shits  
I be off the shits I really be off the shits  
A lot of niggas losin cuz they don't be off the shits  
A lot of bitches choosin cuz they don't be off the shits
