

# Party

Lil Durk

Yeah

Let's throw a party, let's throw a party (Let's get it)

Let's throw a party (a party a party party)

Lets have a party

Invite the bad bitches

Invite the drug dealers

Bring the city out cause I'm that nigga

She wanna be famous

Just let me record her

Put grits in my water

We gonna turn up at this party like

Party party lets throw a party (x8)

Party party lets throw a party

She geeking, she tweeking, she high off the molly

Bitches on bitches, she say she not gay if she kissing her body

Bring me Patron, I meant the designer

Pass me the hookah, pass me the 9

Pass me my mic, my show starts at 9

Let's party party party party

Lil bitch say she want me now, say my name bring the city out

She wanna fuck cause she see me at Diddy's house

Lil ho i can't go low, i can't go (let's get it)

Call DJ up, play me, block party

Glock 40 on me, cause these niggas hate me

Lil bitch she a head hunter (Say she a head hunter)

Wanna fuck cause my red bottoms (cause my red bottoms)

I'm turning up I'm a bread winner (Turning up I'm bread winner)

You can't come if you ain't getting money (She ain't getting no money)

I can't go, tryna get a bank roll (bank roll)

You ain't on the list should of never came ho

Get in free, if you do the Bang Bros

Party when I'm broke, party when I'm rich

Party in a coupe, party with your bitch

No candy see you later

We gorillas nigga, cage us

Party hard, I need more acres

No phone, I book on papers

You could say I'm in 3hunna the way I left the bitch in that dirt

I'm a King Slime, she walk off I'm going in her purse

Ooh she feeling me just like a nurse

Just because I'm a star don't mean she won't get burnt

Party!

Jiggle that, jiggle that, jiggle that baby

Party!

When I fucked you I came right back the next day

Party!

Nigga party big as a parade

Party!

I'm YSL, Durk, tell 'em whatcha bang

OTF, I do it for the fam

Pull out your phone and do it for the gram

Put ya hands up jump up and down and just jam (Jam)

Jump up and down and just jam

Yeah
