I was feeling like a clown, I thought you would leave me

And I can't let nobody tell me that my bitch goin'
And we got strong mind, I told her we gon' get through it, oh oh
In her Rick Owens, I had to put my rent on it
And I was broke as hell, she thought I had some shit goin'
No, I don't want your number
No, I don't want to give you mine, and no
And I'm so cocky, got a big ego
Her head so sloppy, got to take her deep throat
You ain't gotta worry 'bout me buyin' shit
And I'm down for the cause and the challenges
I fell out with my dawg 'bout money, it was not 'bout a bitch

But he told her I had a girl, but he told her right before I hit
She say I run my mouth 'cause I told my guys I hit
But he was with me when I seen you, I said I gotta hit
And I knew he was kinda hatin', he said I got a bitch
They DM'ed her from a fake page but it was too accurate, it was him
At that boy's arraignment, bring flowers
Couldn't say I cheated 'cause I was a bachelor
That pussy pancakes, my tongue a spatula
And I take Adderall so I can add it up
My first gun was a Smith & Wesson
These ain't no SI's, these VVS's
I was in them trenches, yeah I need a blessing
Couldn't get into good school, I was getting rejected
No, I don't want to meet you nowhere
No, I don't want none of your time, and no
No make up, no edges, no lipo
And I know that you know I'm psycho
Love her perfume, bring me more shrooms
My heart got no room, I don't need no tomb
No I won't hurt you, 'cause we global
The world know you, the world know you

It's gon' be okay, okay, okay
Just don't leave, okay, okay, okay
Baby lead the way, the way
Yeah, yeah, the way, the way
