

## Support You

Lil Durk

Who shot you? I don't know, they got you  
Way this shit going, man, it probably was your partner  
And it hurt my soul when I don't be talking to my daughters  
Free Big Meech, they gave him five plus a quarter  
He ain't never tell, he got pride, that's his morals  
Can't bump into them niggas, I can never keep it cordial  
I support my brothers, put they music in my story (AyeTM)

Grew up with no cable  
It's so crazy 'cause I bumped into a label, got some money from a label  
They gon' rob until they stable  
And if it's for my brother, ain't no favor, yeah  
Gotta watch them niggas, they confusing  
They gon' turn they back on you, they find out that you losin'  
Watch the police on the Waze app, that's why I be cruisin'  
R.I.P. to Nunu, put his face on a Cuban, yeah

If they don't support you  
Niggas ain't for you  
Niggas ain't loyal  
Niggas don't love you  
They'll take you  
You ain't a snake but they'll make you  
I hate a nigga who ungrateful  
Been in the streets for so long, I can tell you who play cool

He ain't a shooter, he ain't shot shit  
And he ain't rich 'cause he ain't got shit  
At least keep a Kel-Tec in your pocket  
And I knew it was lit when Rondo had a rocket  
I'm recording in the Wraith room  
I got a freaky lil' bitch, she play with grapefruit  
She a lil' eater lil' bitch, she drinking Grey Goose  
We do the dash on the E-way, gotta watch out for the state troops  
In Boston, damn near fell out off them pills, huh  
You call them niggas your brothers, they ain't real, huh  
Your first time in the shootout gave you chills, huh?  
Knew it was real when he lost his appeal, huh  
You can't wake up and rob, that's a skill, huh  
You can't wake up and kill, that's a skill, huh  
Rich niggas come around her and steal her  
Come around her and steal her

If they don't support you  
Niggas ain't for you  
Niggas ain't loyal  
Niggas don't love you  
They'll take you  
You ain't a snake but they'll make you  
I hate a nigga who ungrateful  
Been in the streets for so long, I can tell you who play cool
