Toxic

Lil Durk

(JD On Tha Track)
Blow the man

Toxic (Toxic)
I can't leave you alone, it's not a option (It's not a option)
I got my gun, I'm sliding through, she on the opp shit (She on the opp shit)
She got a man but he a fan, boy, that's my bitch (Boy, that's my bitch)
We so toxic (We so toxic)
I keep exotic (Tooka man)
You know the plug need me, bitch, I'm like a socket (I'm like a socket)
These niggas bitches, baby, all they do is gossip (They do is gossip)
See, I be lying knowing damn well I promised (Bitch, I promised)
I'm so toxic (I'm so toxic)

Free RondoNumbaNine, bitch, you know he kept a rocket (Brrt)
Always got a blick in case somebody out of pocket (Out of pocket)
Fucked her in the car and she still had on her bonnet (Still had on her bonnet)
She said, "Blow, I love you, drop me off, that's all I wanted" (That's all I wanted)
Runnin' down stony and it's like three in the morning (Morning)
Every time I see her face, I just picture her moaning (Picture her moaning)
She know that I'm crazy but she still wanna play with' me (Still wanna play)
If I catch her man lackin', it's gon' be a first degree (First degree)
Caught up in her phone, now she be keeping her distance (Keeping her distance)
Her man chain fake but JusBlow be glistening (Bling, baow)
Sneaky link-ups only thing we can do (Thing we can do)
We keep it a hundred but it's too good to be true

Toxic (Toxic)
I can't leave you alone, it's not a option (It's not a option)
I got my gun, I'm sliding through, she on the opp shit (She on the opp shit)
She got a man but he a fan, boy, that's my bitch (Boy, that's my bitch)

These niggas bitches, baby, all they do is gossip (They do is gossip)
See, I be lying knowing damn well I promised (Bitch, I promised)
I'm so toxic (I'm so toxic)

She only fuck with me 'cause she heard the way I drop shit (Brrt, brrt)
But I can't trust a ho 'cause I'm knowing she a opp bitch
Fifty shot Glock switch, this bitch fuck around and snitched
'Cause she set the nigga up, ooh, she's so toxic (Damn)
Sliding with the gang, yeah, we got them things with us (Got them things)
She just dropped her loc', it's finna get dangerous (Danger)
We pull up to the spot then I hear a Glock cock
I know it ain't us 'cause we all got one up top (Got one up top)
Shots blast, only thing you hear is shattered glass
I've been double-crossed, she done alley-ooped my ass (Alley-ooped my ass)
Your life could go fast if you're out here chasing ass (Out here chasing ass)
Living for today, they left your ass in the past (Left your ass in the past)

Toxic (Toxic)
I can't leave you alone, it's not a option (It's not a option)

I got my gun, I'm sliding through, she on the opp shit (She on the opp shit)
She got a man but he a fan, boy, that's my bitch (Boy, that's my bitch)
We so toxic (We so toxic)
I keep exotic (Tooka man)
You know the plug need me, bitch, I'm like a socket (I'm like a socket)
