

Untouchable

Lil Durk

You live, you die
These niggas do ho shit, then blame it on bein' high
See me, I ride around low-key
I'm a real P like Ski
Two million up like Jeezy
My ex hoes all need me
Any niggas I cut ties with, I feel like I need it
He went big on Instagram for likes, now he pleadin'
These niggas think shit sweet
I hustle when I get a chance
Fill an IV up with codeine
I can barely hold my stance

Got a PT in my pants
I can count an M, half sleep

Don't pull up on me with a friend 'cause I ain't gon' choose un
