

Yeah  
Sleeze Money, yeah  
You know I ain't seen my dog in a minute  
I keep lookin' at your picture thinkin'-  
Still in this bitch still cappin' with Dan, yeah  
You know I ain't seen my dog in a minute  
I keep lookin' at your picture thinkin', "Why you can't be with me?" (Why?)  
Yeah, uh

You know I ain't seen my dog in a minute  
I keep lookin' at your picture thinkin', "Why you can't be with me?" (Why?)  
Stuck together like some glue, we fuckin' up the city (Fuck the city up)  
Steady keepin' distance 'cause these niggas, they be actin' fishy (Keep my distance)  
If it's problems, then you wouldn't hesitate to come and get me (Yeah)  
They be speakin' on your name but I know they just tryna tempt me  
Why these niggas actin' iffy? (Why?) They don't even know the sitchy  
They gon' try to stop me ballin' but they know that that can't bench me (That can't)

Got the news and it's really hard to hear (Hard to hear)  
On the way to see my brother, yeah I'm kinda scared  
Same place where we played at, they took you outta here  
If they cappin' on your name then, bitch, we shootin' at your beard  
Used to ride at strikers late night, excited for them new pipes (New pipes)  
You can't take a step in these Balenci's, check my shoe size (Check my shoe size)  
Took a flight to Cali, had to start a new life (Catchin' flights)  
I don't wanna do this shit without you, we got soul ties (Soul ties)  
All these new people keep blowin' up my phone  
Leave me alone, I know they peepin' all these new clothes (New clothes)  
Chase the sack for you and wake up to a new road  
And Wock' Keisha on my passenger, I'm ridin' in the two-door (The Wock')  
So I vouch to put on for my guys (My guys)  
I can't fuck with all the rumors, all these niggas lyin' (They be lyin')  
No, you cannot get up with us, boy your head fried (Your head fried)  
Told my brother, "I'm finna be rich and it's 'bout damn time" (Damn time)

You know I ain't seen my dog in a minute (In a minute)  
I keep lookin' at your picture thinkin', "Why you can't be with me?" (Why?)  
Stuck together like some glue, we fuckin' up the city (Fuck the city up)  
Steady keepin' distance 'cause these niggas, they be actin' fishy (Actin' fishy)  
If it's problems, then you wouldn't hesitate to come and get me (You wouldn't hesitate)  
They be speakin' on your name but I know they just tryna tempt me (Yeah)  
Why these niggas actin' iffy? (Why?) They don't even know the sitchy (Why?)  
They gon' try to stop me ballin' but they know that that can't bench me (That can't)

Domo, yeah he livin' with me  
In them trenches, it get gritty  
I got white and yellow diamonds so my wrist is lookin' pissy (Pissy)  
You told me to cop the Audemars and shopin' at Tiffany  
You told me to hit the gas, so bitch, you know they ain't gettin' me (Gas)  
This shit comin' from the heart but I don't think that they feelin' me (The heart)

In the streets, gotta move smart but gang, I'm feelin' your entity

You know I ain't seen my dog in a minute (In a minute)

I keep lookin' at your picture thinkin', "Why you can't be with me?" (Why?)

Stuck together like some glue, we fuckin' up the city (Fuck the city up)

Steady keepin' distance 'cause these niggas, they be actin' fishy (Actin' fishy)

If it's problems, then you wouldn't hesitate to come and get me

They be speakin' on your name but I know they just tryna tempt me (Yeah)

Why these niggas actin' iffy? (Why?) They don't even know the sitchy (Why?)

They gon' try to stop me ballin' but they know that that can't bench me (Can't bench me)
