

# Forever Been Steppin'

Lil Eazzyy

Uh  
DJ on the beat, so it's a banger  
Uh, forever been steppin', nigga  
Uh, forever been steppin', nigga  
Uh, forever been steppin', nigga  
Uh, forever been steppin', nigga  
Uh

Forever been steppin'

He tried to come take a shot at the gang, he got put on a stretcher (A stretcher)

Heat get clappin', we changing the weather

You know it get slimy, we play for the cheddar (Forever been steppin')

Still gotta tell all my people to chill 'cause they disrespectful, they slide on whoever (They slide on whoever)

If Reese say blow then I'm gonna go FN get spitin' put holes in his sweater (Baow, forever been steppin', baow)

Nigga don't want no beef 'cause he Vegan

If he speak on my brother, we plottin' and scheming (Plottin' and scheming)

Spin on his block and you know we ain't leavin' them shots gotta hit 'em to show 'em we mean it (Forever been steppin')

Stop poppin' the 30 I lowkey been feening, they ask me for this and they ask me for that

What the fuck is they bringin'?

I never asked anybody for nothing, but look it, I'm rich and your pockets be feening (Forever been steppin')

When I get a profit, I double it (I double it)

Off the Wock', I ain't functioning, I like to sip in the Cullinan (A Cullinan)

Finally got him a bag and you know that he fumbled it (He fumbled it)

Stop all the bitchin' and mumbling (Mumbling)

Too many ways to go get it, I can't get enough of it (I can't)

Can't leave the blicky 'cause more say I'm stuck with it (Huh?)

Shit, ever since got no choice so I'm tuckin' it

Pull up and I act up, you betta backup

Glock with switch now he need 'em a pamper

Killers, they know me, you not a factor

You just an actor, what you gon' do with that clapper?

Not really fond of the rappers

You wanna do it then me and lil' cuz, I'll come smack ya (Grirt, baow)

Remember we packin' and shippin'

He say that he need it, we sendin' them loads out of Tampa

Forever been steppin'

He tried to come take a shot at the gang, he got put on a stretcher (A stretcher)

Heat get clappin', we changing the weather

Shit done got crazy, didn't it?

Lil' nigga been livin' (Livin')

Bro say if anything, you better chase you the chicken, I got on my shit and listened (I listened)

He took the stand as a witness

No, he cannot kick it, he meetin' the back of my smith and- (Baow)

Keep havin' that vision, niggas be switchin' on me, so you know that I'm pay in' attention

VVS and they shine like a nightlight

Still steppin' in mikes

Back at the crib we ain't givin' no passes, nigga (Bitch)

He out then he losin' his life

No, we ain't givin' no chances, nigga

He lookin' wrong, we fannin', nigga

The feds, they been doing a sweep, so we up and we movin' 'cause that's how we handle, nigga

Forever been steppin'

He tried to come take a shot at the gang, he got put on a stretcher (A stretcher)

Heat get clappin', we changing the weather

You know it get slimy, we play for the cheddar (Forever been Steppin')
