

Champion

Lil' Flip

I'm a champion
Yeah
It's your boy
Hahaha
Wassup Lil Flip
Ah man, you know, I'm just getting to the money, baby
Talk to them real quick homie
Yeah

Hey, I'm addicted to the money, man
I wake up my bank calls me and tells me
I got deposits, man
I got all the belts
You wanna see me, baby
Its pay per view
Let's go

I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy
I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy

Been through a lot of up and downs
In life I won't forget it
My single mother broke
Told my self I'm gonna get it
Shaking non-believers off
Focused on the fetty
I'm like the Michael Jordan sign
Going up I'm ready
I'm a champion, I'm something like rocky
Running up the stairs
There's nobody that can stop me
Haters crying like the yelling of mariachi
Cus I'm dressed clean and my rims be all flashy
Yo money's short and mines tall like Yao Ming
Cus I'm out here hustling grinding
Yeah I'm doing my thing
The studio is my castle
On the mic I'm a king
Yes, I am a champion
The booth is my ring

I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy
I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy

So many b... in the kitchen

We need a floor plan
On top of that we need
20 sh...s and a door man
This my topic I'm psychotic on NBN
With the rap, with the rap
I'm a champion
Now shall we begin
My paper never end
You see my letterman jacket
With the green and gold
The switches got the drop dancing
Twinkle toes
I got the championship belts
And I'm undisputed
And I can do that
And I can do it
Look god with me so any mountain I can move it
And I can do that
And I can do it
Look god with me so any mountain I can move it

I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy
I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy

Heavyweight belts on my shoulders with hands up
I'm on top and my haters mad looking up
Heavyweight belts on my shoulders with hands up
I'm a champ, I'ma fight, never giving up
Like Muhammad or like Oscar De La Hoya
I'm a champion on the mic
If you step up I will destroy ya
Trying to move on
From being broke and all stressed
Now I'm looking to the future
With the money and success
You use the stairs
I'm going up like escalator
Hmmm no, I'm going up like elevator
To the haters, dueces see you later
Hasta la vista, baby
Like the Terminator

I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy
I'm a champion, something like Rocky
Knocking out haters, getting to the money
Do what I want, my attitude is bossy
When I step in, yeah, you know I'm looking flossy

I'm a champion
