

Lean Back Freestyle (t.i. Diss)

Lil' Flip

Yeah... look

First of all am a clover G veteran and ya'll really know who am better than... ya'll know TI can xxxx with me... You are feather weight you don't even weight a bulk50... Nigga you lucky ma plane got delay... Cause I wouldve knock yo punk xxx off stage... .. You a seven time felon what u about a case ya u got a jail early cause yo workin with a state snitch... Your a xxxxx been a xxxxx still a xxxxx and ya da leprechaun suit got me filthy rich... I shouldve know u was a snake when u was at the source auto shoot just smiling in my face... Tryin to get over my game over remix but I told you no... I only do tracks with niggaz that i think dope... Niggaz know in street am the hardest so why in the xxxx will I diss gold artist... I'm from the dirty dirty and I represent I get hEAD like the muthafuckin president... South side and we ride on the 20 inches I got a million dollar I'm not a penny pincher Holla back I'm straight from the street Jump out the jeep with TK in the heat put ya lading on yo lap u brain on ya lap I'm rippin h town I put yo clover on the map holla back I got my nine and my strap everybody u better get yo holla back when flip pops up I leave ya xxx trap and dead south side we don't trip over blue and red I'll leave u cribble ma pistol in u back bended make yo chest do a xxxxxx back bend... Holla back I straight from the streets dawg and I'll knock yo xxx out of yo feet dawg what's beef... beef is when a nigga like u can't eat wake up in moring no apptite and can't eat but it looks both ways before u walk in the streets cause u wanna bump heads with a nigga like me rubber man and the reagae xxxx but yo first album flap with the gray xxx xxxx halla back nigga hahahah
